Steps

1. Before you start stamp 5 large butterflies in Wisteria Wonder and colour the edges using a Wisteria Wonder blendabilities marker or ink and a dauber. Cover with crystal effects and put to one side to leave to dry
2. Cut the sheet of 12 x 12 Kraft card down to 11 inches x 11 inches (27.9 cm x 27.9cm). From the off cuts punch two halves of the Decorative label punch and put to one side
3. Following the instructions on the box maker make the box measuring 3 ¼ x 3 ¼ x 4 (8.3 x 8.2 x 10.2 cm) - which is line up at **L start line**, punch and score, and **Diagonal XL score**
From the Very Vanilla cut the following pieces
 - a. 3 x 3 ¾ (7.6 x 9.5cm) you will need **FOUR** pieces for the sides of the outside of box

- b. 3 x 3 (7.6 x 7.6cm) you will need **ONE** for the inside bottom of the box
 - c. 4 x 3 ¾ (10.1 x 9.5cm) you will need **FOUR** pieces for the pockets on the inside of the box
 - d. 2 x 4 (5 x 10.1 cm) you will need **ONE** piece for the tag
4. Decorate the outside panels (a) as shown in the picture - stamping in Crumb cake for the leaves, and soft sky for the butterflies, don't forget to ink the edges with a very little bit of Early Espresso using a dauber. Use tombow or sticky strip to attach the panels to the outside of the box. Take the butterflies from earlier to decorate outside, stick on one each panel with dimensionals. Stamp out 12 flowers from Pictogram Punches - stamp 6 in wisteria wonder and 6 in soft sky - punch using the flower punch from the coordinating punch set - curl petals and attach with gluedots three on each panel.
 5. Decorate the inside panel (b) with the leaves stamp from kinda eclectic and crumb cake and attach to the bottom inside base with sticky strip or tombow
 6. With the short side at the top of the score board, score all four of the pockets (c) at ½ inch (1.25cm) on the left hand, bottom and right hand sides. Trim bottom corners off at right angles and score fold lines
 7. Use the 1 inch (2.5cm) punch to punch out a half circle on each of the pockets, and then stamp the large star stamp from Kinda eclectic in Wisteria Wonder. Use sticky strip to attach the pockets. Insert tea bag pouches.
 8. Using the Scallop Tag Topper Punch make the tag (d), stamp on the bottom the dots from Kinda Eclectic in crumb cake, use Wisteria Wonder seam binding and Linen thread to decorate. Slot into one of the pockets.
 9. Place your biscuits or gift in a cello bag and secure top with wisteria wonder seam binding and secure the top of the box by looping in the opposite sides
 10. Stamp sentiment stamp from kinda eclectic using Early Espresso onto a scrap of Very Vanilla and punch using decorative label punch. Layer with the 2 half pieces of punched out kraft cardstock and using dimensional sticky pads secure to the top of the box. Layer up the final large butterfly with a small butterfly stamped in soft sky. Attach a string of three rhinestones and colour with the Wisteria Wonder Blendabilities Marker pen, and attach to top of box using dimensional.
